

## Duval County ARES Weekly Net Script

Attention all stations, this is (**Your Call** sign), Net Control for this session of the weekly Duval ARES net, which operates under the callsign of N4JAX. This net meets every Wednesday @ at 7:30 PM on the W4IZ repeater, 146.700 tone 127.3, and is located in Jacksonville FL. The backup for this session will be 146.955 tone 127.3.

The purpose for these nets is to increase the operational readiness of local Amateurs and their equipment/systems in the event of a communications or weather emergency, to provide a gateway to the National Traffic System, promote and support mutual aid, and transmit information of interest to the Amateur community. This is a directed net; all traffic must be directed through net control. All stations are encouraged to check in and pass traffic or reports.

(Would anyone like to volunteer to be DMR net control please?)

Additionally, a separate net control (call sign) will be taking check in's via DMR on the DMR Network, talk group 31128, ARES FL If you have DMR capability, you are encouraged to check in digitally with the DMR Net Control in addition to this FM net.

Towards the end of the net I will contact the DMR Net Control for the list of digital check ins.

This net is also accessible through Echo-Link node W4IZ-R, node 872590. When checking in via Echo-Link, please key your radio for one second before speaking to ensure you are heard.

The use of correct ITU phonetics and adherence to normal net procedures will be required. When checking in, please speak slowly giving your full call sign, your call sign phonetically, your name, and your location. If possible, please provide an abbreviated weather report and your storm spotter number . Please be concise. When checking in, it will *NOT* be necessary to advise net control that you have *No Traffic*.

This is N4JAX, does any station have formal written traffic? Your call sign please.

Does any station have formal or informal announcements or need an "informal" with any other station? Your call sign please.

☐ We will begin by taking EchoLink station check-in's. EchoLink stations, your call sign please.

We will now take check-in's from ARRL-appointed officials. Again, please provide any status reports as you check in.

☐ Duval County Emergency Coordinator, are you on frequency?

☐ Continuing with ARRL-appointed officials , Duval County Assistant Emergency Coordinators, your suffix please.

Acknowledging station \_\_\_\_\_ (Please fill your call sign, give your name, your location, and any report you have?)

Clearing with\_\_\_\_

☐ I will now take check-in's from Liaison Stations such as Red Cross, JSO, JFRD, JEA, Duval EOC, and Duval County School Board.

Acknowledging station \_\_\_\_\_ (Please fill your call sign, give your name, your location, and any report you have?)

Clearing with\_\_\_\_

This is N4JAX continuing with regular check-in's in groups based on the first letter of your call sign suffix. Relays may be called upon as necessary. I would like to take three to five callsign suffixes, then I'll acknowledge them. When acknowledged, please state your full call sign, your call sign phonetically, your name, and location. If possible, please provide an abbreviated weather report and your storm spotter number.

☐ Mobile Stations only, your suffix please?

Acknowledging station ending in \_\_\_\_ . Please fill your call sign, give your name, your location, and any report you have.

Clearing with\_\_\_\_

(There was a double/no audio/key up/etc, please try again)
